

Til The End Of The World Rolls Round – Flatt and Scruggs

Kickoff _____

I IV
I tried to sail the sea of life I rowed my boat alone
V
Your love meant nothing to me dear my heart was
I
made of stone

To a harbor filled with loneliness my little boat was
IV
Moored
V I
And on the day I first met you I fell right overboard

I
Til the end of the world rolls 'round
IV
I'll keep on loving you
V
As long as the sun goes up and comes down
And the big blue sky goes down to the ground
As long as the world goes round and round
I
I'll keep on loving you

Break _____

Whenever you're around me dear my heart just won't
stand still
And when it comes to kissing you I'll never get my fill
They said I'd never settle down that I would always
roam
That I could never be the type for a loving wife and
home

Chorus

Break _____

So now I know the way I felt was only selfish pride
I thought my heart was fireproof but you burned your
way inside
So tell me what I've got to do and tell me how it stands
The cards are on the table dear my life is in your hands
