

Take Me Back To Tulsa

Bob Wills

Take me back to Tulsa, I'm too young to marry

V7

Take me back to Tulsa, I'm too young to marry

I6

I6

You see that girl with the red dress on,

V7

Some folks call her Dinah

Stole my heart away from me

I6

Way down in Louisiana

The big bee sucks the blossom

And the little bee makes the honey

Poor man throws the cotton

And the rich man makes the money

We travel all over this country wide

Playing music by the hour

Always wear this great big smile

We never do look sour
