

Won't You Come and Sing for Me

Hazel Dickens

V IV I
I feel the shadows now upon me
IV I V
And the angels beckon me
IV I
Before I go dear sisters and brothers
V IV I
Won't you come and sing for me

Chorus

IV I
Sing those hymns we sang together
V
In that plain little church
IV I
with the benches all worn
IV I
How dear to my heart how precious the moments
V
We stood shaking hands
IV I
and singing a song

My burden is heavy my way has grown weary
I have traveled a road that is long
And it would warm this old heart my dear brother
If you come and sing me one song

Chorus

In my home beyond the dark river
Your sweet faces no more I will see
Until we meet where there's no more sad parting
Won't you come and sing for me

Chorus
