

Life's Too Short

Delmore Brothers

I
Here today and gone tomorrow
IV I
Life's too short to borrow sorrow
V I
Life's too short for me to worry over you

You are gone, you are missing
IV I
Other lips you are kissing
V I
Life's too short for me to worry over you

Chorus

IV
And I'm leaving (and I'm leaving)
I
And I'm grieving (and I'm grieving)
IV V
And I'm grieving 'cause I'm blue
I
Here today and gone tomorrow
IV I
Life's too short to borrow sorrow
V I
Life's too short for me to worry over you.

Sometimes I think I'm crazy
With these blue days so hazy
Can't realize that you were so untrue
And I know that you don't love me
And by all the stars above me
Life's too short for me to worry over you.

Chorus

And now I'm through with you forever
For this tie we must sever
I don't have another heart so good and true
It was made for using not all this abusing
Life's too short for me to worry over you.

Chorus
