

On the Sea of Life

Doyle Lawson

I
We are on the sea of life

Sailing to a better home
II V
Where the saved of all the earth shall abide
I
Leaving all our trials here

Many pleasures wait us there
II V I
When we cross the foam and reach the other side

Chorus

I
We are sailing onward, (Sailing on)

Sailing, sailing o'er the foam
vi
We are talking to the captain

as the angry billows moan
I
Soon we'll reach the harbor and (Sailing to)

Be safely o'er the tide
vi V I IV I
We are crossing over to the other side

Many millions now abide
In that home beyond the tide
Where the reassumed pilgrims wade free from care
There is room on board for all
Who will head the captain's call
And take ship for Heaven's country bright and fair

Chorus
