

If You Ain't Lovin You Ain't Livin – Faron Young

 V
If you got a Cadillac boy
 I
And a forty room shack boy
 V
a bucket full of money
 I
And a tree full of honey
 IV
but if you got no huggin'
 I
No smoochin' or muggin'
 V
well if you ain't lovin'
 I
Then you ain't livin'

If you're ridin' on the gravy train
Instead of walkin' down lover's lane
you can't make hay boy
You're goin' the wrong way boy
you gotta get a little honey
It's better than money
well if you ain't lovin'
Then you ain't livin'

if they call you a big man
Cause you got a lot of bottom land
if you're kin to the president
And if you help run the government
but if you get no attention
You better off on a pension
for if you ain't lovin'
Then you ain't livin'

if you got a string of long cars
And you're smoking them fourbit cigars
you ain't so well to do
Unless you get a little choochy coo
It takes a little of smackin'
Or your life is a lackin'
well if you ain't lovin'
Then you ain't livin'
