

# Don't Fall in Love With a Rambler

Jimmy Martin

## Chorus

I IV  
Don't fall in love with me darling I'm a rambler  
V  
though you're the sweetest sweetheart in this  
I  
World

IV  
It's all for your sake dear that I'm leaving  
V I  
Don't give your heart to a rambler little girl

I'd never had the blues my little darling  
Or the lure of the road on my mind  
I'm bound to hear the whistle of a freight train  
And the boxcars as they rattle down the line

## Chorus

Yes I handed you a line and I'm sorry  
You're just a little sweeter than the rest  
Believe me when I say don't want to hurt you  
Or do anything to mar your happiness
